

CONNECTING KIDS TO COVERAGE (CKC)

HELPING LOUISIANA FAMILIES ACCESS AFFORDABLE HEALTH CARE.

Every child deserves the chance to grow up healthy, but many eligible children, parents, and pregnant women are still not enrolled in free or low-cost coverage. START's Connecting Kids to Coverage (CKC) program is here to help.

Educate families about free or low-cost coverage through Medicaid and CHIP

Identify children who are likely eligible but not yet enrolled

Assist families with applications, renewals, and retention of coverage

This program is supported by the Centers for Medicare & Medicaid Services (CMS) of the U.S. Department of Health and Human Services (HHS) as part of a financial assistance award totaling \$1,404,202 with 100 percent funded by CMS/HHS.
