

HOPWA- Housing Opportunities for Persons with AIDS

- We provide rental assistance and case management services to individuals experiencing homelessness or housing instability and who are living with HIV or AIDS.
- Referrals are accepted from local healthcare clinics, service providers, and Coordinated Entry. Individuals can also self-refer.
- Community support specialists assist clients with locating and maintaining housing, as well as other goals they wish to work towards.
- There is no limit as to how long participants can stay in the program, this is a permanent housing program.
