

Coordinated Entry

Services available to:

- Discuss housing solutions to assist you in returning to shelter.
- Providing information on obtaining community resources and important documentation.
- Providing referrals for qualifying services
 - Family, veteran, or crisis services
 - Behavioral, physical, and dental health care
 - Community programs

Homeless Outreach:

Street Outreach works with people living in unsheltered locations, such as cars, parks, abandoned buildings, encampments, and on the streets.

Street Outreach is available to discuss housing solution steps, meet with clients in their homeless living spaces and direct individuals toward available community resources.

YOU ARE NOT ALONE
