YOUTHBUILD

REBUILDING COMMUNITIES.
REBUILDING LIVES.

YouthBuild Has Five Program Components:

Education

Core Construction/Construction Plus

Construction Plus Training

Leadership Development

Transition Services

Education:

To acquire literacy and numeracy gains, secondary education credentials, industry-recognized credentials, and preparation for post-secondary career and education placements and completion. This component consists of: Academic Skills, Remedial Education and HiSET preparation, College Readiness, and Career Exploration.

Core Construction/ Construction Plus:

Provides on-site skills training through well-supervised housing rehabilitation or construction work and leads to industry-recognized credentials for young people.

Construction Plus Training:

Provides all candidates with the opportunity to receive industry-recognized certifications, hands-on work experience in the industry setting, direct entry into apprenticeship or direct hiring into these industries (certified nurses assistant and medical secretary).

Leadership Development:

Designed to motivate students toward self-development and to further employment and leadership skills. This component consists of: Decision Making, Group Facilitation, Program Leadership Roles, Public Speaking, Negotiating, Community Service, and Advocacy.

Transition Services:

Support in planning placement in employment and/or post-secondary education. This component consists of: College/Career Counseling, Job Placement Development, Internships, Follow-up, Community and Leadership Roles.

*We
pledge
to:*

GET UP
DRESS UP
SHOW UP
NEVER GIVE UP

What are the ways to apply for YouthBuild?

APPLY

Fill out the application. All applications can be found on Facebook @startcorp youthbuild or at any of our Start locations.

MEET & GREET

Talk about the opportunity with our Start Corp. YouthBuild staff by calling (985) 266-1032

TRY OUT

Discover if the program fits your style. During the interview and mental toughness process, show teamwork, positive attitude, and motivation for program acceptance.

WELCOME

Complete the orientation and congrats! We are committed to your long term success.

Participants can earn a stipend while they learn!

Eligibility Criteria:

- Individuals 16-24 years old at the time of enrollment, and
- Have dropped out of high school, and also at least one of the following:
 - Must meet criteria for a disadvantaged youth
 - A low-income youth
 - A youth who has a high school diploma/HiSet or is not a member of one of the targeted populations above, but is basic skills deficient in Reading or Math, can be enrolled.

Start Corp. YouthBuild works hard to provide a holistic approach working towards independence. Not only does our program provide Education, Career Training, Leadership Development, and Job Readiness but we also focus on Physical and Mental Health. These additional services help to prepare both the mind and body for a successful future.

Start Corporation is an equal opportunity employer, and is committed to providing a workplace that is free from discrimination in employment and opportunity on the basis of race, color, religion, gender, sexual orientation, marital status, age, national origin, disability, veteran's status, or any other non-merit factor. Start Corporation will not tolerate any acts deemed to constitute discrimination on any of these characteristics or any other characteristics protected by law.
