FUNCTIONAL FAMILY THERAPY (FFT)

Youth and family therapy provided in the home. This service is available to people with youth ages 10-17.

FUNCTIONAL FAMILY THERAPY CHILD WELFARE (FFT-CW)

Youth and family therapy provided in the home. The goal is to prevent out of home placement. This service is available to people with youth ages birth through 17.

HOMEBUILDERS FAMILY PRESERVATION

In-home intensive services to prevent foster care placement, hospitalization, or detention. This evidence-based practice is available from birth through 17 years' old.

MULTISYSTEMIC THERAPY

The goal of MST is to reduce youth criminal activity, substance abuse and antisocial behavior through an integrative, cost-effective, family-based treatment. Ages 12-17.

GROUP OPTIONS

ADOLESCENT SUBSTANCE ABUSE PROGRAM

A 13-week intensive program for adolescents ages 13-17 who are struggling with substance use or abuse.

PARTNERS IN PARENTING

An 8 session parenting program designed for all caregivers, including those facing DCFS and/or OJJ involvement. Group sessions focus on providing support and teaching effective parenting skills to help build stronger, happier families.

EMOTIONAL REGULATION SELF-MANAGEMENT GROUP (Anger Management)

8 session emotion regulation group for adolescents ages 12 and up, focusing on learning and practicing self-regulation skills. The goal for this group is to help teens learn about and control difficult emotions as well as improve their self-view and relationships.
