

Partners in Health and Housing

- We provide rental assistance and case management services to individuals experiencing homelessness and who have disabilities.
- Referrals are received from the Coordinated Entry prioritization waiting list.
- Assertive Community Treatment (ACT) participation is required.
- Housing Specialists will assist clients with locating and maintaining housing, as well as other goals they wish to work towards.
- There is no limit as to how long participants can stay in the program, this is a permanent housing program.

This program is part of Coordinated Entry.
One Stop is a service provider and can supply more
