

# Individualized Placement and Support (IPS)

Individualized Placement and Support (IPS) helps people living with behavioral health conditions work at regular jobs of their choosing.

- Assist individuals seeking employment with rapid and individualized job searches
- Provide hands-on, time unlimited support
- Engage with employers to find matches for our people who are interested in employment as well as employers
- Provide job readiness assessing and training
- Frequent contact with employers and clients through employment processes
- Help people find competitive jobs
