

SUPPORTIVE SERVICES FOR VETERAN FAMILIES (SSVF)

At START Corporation, you'll be connected with a skilled and experienced Community Support Specialist (CSS) who has successfully helped Veterans like you find and secure permanent housing.

Using Housing First and Rapid Rehousing strategies, your CSS will work with you to identify the support and services you need to maintain long-term housing stability.

We can also provide referrals to other Veteran-focused and community-based services to help you overcome any housing challenges. Many of our clients experience fast, meaningful progress thanks to the proven methods we use. All communication with your CSS is strictly confidential.

GRANT PER DIEM (GPD)

The Grant and Per Diem (GPD) program provides transitional housing and support for single homeless Veterans as they work toward permanent housing.

We offer 21 single-occupancy units:

- 12 service-intensive units
- 9 low-demand beds
